

ACT Info Sheet

College Readiness Benchmarks: (If you make this score or above, you are predicted to pass freshmen level subject course with at least a “C”) ***If you do not benchmark, you are required to take an entrance exam before registering for freshmen courses.

Math – 22 (College Algebra)

Science - 23 (Biology 101)

English - 18 (English 101)

Reading - 22 (Social studies)

Math – 60 questions; 60 minutes; 1 minute per question

Science – 40 questions, 35 minutes, 52 seconds per question

English – 75 questions, 45 minutes, 36 seconds per question

Reading – 40 questions, 35 minutes, 52 seconds per question

Test dates that offer **test information** for \$20:

December, April, June

You order the test information release during checkout of phase of registration. ACT will send you the test booklet, your answers, and the correct answers. This is one of the best ways to prepare for the next test. Register for any national ACT test date at www.myact.org.

You will have the opportunity to take the ACT on campus at Clarke Prep twice a year beginning in 10th grade.
