Parents,

This is a sign-up form for the girls in 4th – 6th grades to gauge their interest in playing Pee Wee softball this year. We are sending this follow-up form home for parental permission and to get an accurate headcount. If you would like your child to participate in this upcoming season, please fill out this form and return it to the school by Monday, November 3rd.

Additional info for your decision making:

- There will be a mandatory parent meeting at the school at a date TBD in November. General guidelines for the team and the season will be covered at this meeting. Also, uniform sizes will be taken at this meeting.
- Estimated uniform fee is ~\$150-\$200 with at least half due at the parent meeting.
- The Pee Wee season usually lasts from January to Spring Break. This normally encompasses ~20-25 games, some of which are tournaments on the weekend.

If you have any question or need any other info, please contact me at the number listed below.
